Revenues: AdSense, Affiliate Programs

Sites Potential: This is a perfect site for anyone who wants to blog about SEO, Internet Marketing or just about anything related. The site has great potential as it already has a PageRank and has completed one year since inception. According to [Alexa](#), seoformoney.com has high impact search queries for the following terms: seo for dummies, top seo ranking, seo ranking factors, seo report card, and seo report.

There is a total of 19 posts and all are original. Future owner if posting regularly will see that the Alexa ranking will decrease in very short time. The advantage of this website is that it is already relatively established and a great option if you do not want to start things from scratch.

Suggested articles are: SEO Tips, SEO Plugins for WordPress, SEO Myths, Google Search, Traffic Generation, Internet Marketing, Search Engine Marketing, PPC, Social Web and more.

Please [contact us](#) if you are interested. We can discuss pricing, possible support and joint management over a period of time.

Thanks!
